WILSON AND GOMPERS CONFER

WESTERN R. R. STRIKE CRUMBLING

(By Associated Press)
San Francisco, Aug. 29.—The strike of railway men in the west and south-west appeared to be crumbling today. Warned by Watke, D. Hines, Director General of Railroads, that if they did not operate trains by 7 o'clock Saturday morning the Railroad Administration would undertake to do so, the sentiment among many strikers swung toward a return to work. San Francisco yard men agreed to return to work at 8 o'clock this morning. Virtually normal conditions had been restored at San Jose and Oakland, important points in the handling of trains to the south and east strikers having returned to work last night.

STEAMERS SAVED ALSO CREWS

(By Associated Press)
New York, Aug. 29.—The steamer Munatres which was in collision last night with the steamer Hortensius in Ambrose Channel was towed to an anchorage early today. After picking up 22 of the Munatres crew the Hortensius proceeded to quarantine.

PRESIDENT TO VISIT 30 CITIES

(By Associated Press)
Washington, Aug. 29.—President Wilson will visit 30 cities during his tour of the country in the interest of the peace treaty and will be absent from Washington until Sept. 30th.

THE WEATHER

Washington, Aug. 29.—Fair tonight. Saturday unsettled, slightly warmer. Moderate west to southwest winds.

7 GOVERNORS AT WASHINGTON CONFERENCE

(By Associated Press)
Washington, Aug. 29.—Governors of seven states including Gov. Miller of Maine came to Washington today as a committee from the National Conference of Governors to offer state cooperation to the Federal Government in the campaign to reduce the high cost of living. They went into conference immediately with Attorney General Palmer to discuss the best methods to be pursued in halting the profiteers and hoarders. Later the Governors were to confer with President Wilson at the White House.

After the Governors had offered the full services of the state machinery to assist the Federal Government, Attorney General Palmer outlined to them what was desired in the way of cooperation. It is understood that the state governments are prepared to make constant reports of food conditions in their communities which would enable federal authorities to determine whether or not hoarding was being practiced and to cooperate otherwise with federal officials.

DILLINGHAM RESIGNS FROM HIPPODROME

(By Associated Press)
New York, Aug. 29.—Charles R. Dillingham, managing director of the Hippodrome, whose stage hands and musicians joined the strike of actors Equity Association last night because he was a member of the producing managers association today announced his resignation from the big playhouse "rather than keep 1100 persons out of work." Mr. Dillingham sent his resignation to a real estate concern which he sold really owns and operates the Hippodrome.

President Putting Forth Effort to Prevent Steel Strike---Gompers Meets Labor Leaders.

STREET CAR SERVICE RESUMED AT PITTSBURG

(By Associated Press)
Pittsburg, Aug. 29.—Street car service was resumed here today for the first time in two weeks when 3000 striking motormen and conductors of the Pittsburg Street Railway Co. returned to work following a vote of the carmen late yesterday to abandon the strike. The men went back to work at the wage increase of 5 cents an hour granted them by the National War Labor Board recently against which they struck two weeks ago. The Amalgamated Association of Street and Electric Railway employees will reopen negotiations for the full 50 cents an hour schedule originally demanded by Pittsburg men within a week or so, however, William D. Fitzgerald, International President, informed the receivers of the company last night.

PEACE COUNCIL CONSIDERS AUSTRIAN TREATY

Paris, Aug. 29.—The Supreme Council today considered the Austrian peace treaty. The covering letter to accompany the treaty is as yet unfinished but the treaty probably will be given to the Austrians early next week.

(By Associated Press)
Washington, Aug. 29.—President Wilson is to be asked to take a hand in the controversy between the steel workers and the United States Steel Corporation in an effort to prevent a general strike. This announcement was made today by the committee of the steel workers who charged that the steel corporation was trying to force the issue before the President could have an opportunity to pass on the merits of the controversy. In a telegram to the union of steel workers at Gary, Indiana, the committee said the workers were not to strike "under any circumstances" until the strike date had been set by the committee. The Gary Union had telegraphed that the steel workers were being discriminated against and "discharged wholesale for the purpose of forcing a strike."

COMMISSIONERS AGRICULTURE IN SESSION

(By Associated Press)
Boston, Aug. 29.—A conference of the national association of commissioners of Agriculture which came here today from Albany, N. Y., turned to consideration of the menace to crops involved in the appearance of the European corn borer. After discussion of the activities of the pest in New York, New Hampshire and Massachusetts, the commissioners went to Arlington for an inspection of the corn fields there. Congress is to be asked to appropriate \$2,000,000 for the suppression of the pest in resolutions prepared by C. C. Worgord of Wisconsin.

Washington, Aug. 29.—Labor unrest over the country was the subject of conferences today between President Samuel Gompers and members of the executive committee of the American Federation of Labor. After these conferences Mr. Gompers was to discuss the general labor situation with President Wilson at the White House. Matters understood to have been considered today by the labor officials included the threatened strike of steel workers and demand of railroad employees for increased wages until living costs are reduced.

COURT MARTIALS PACKED AND UNFAIR

(By Associated Press)
Washington, Aug. 29.—Portraying of unfair and prejudicial investigations of army courts martial practices through "packed" bodies of inquiry was charged to Secretary Baker and Judge Advocate General Crowder today by Samuel T. Ansell former acting Judge Advocate General. Repeating his statement before the Senate military sub-committee Mr. Ansell declared that the inquiries made by the American Bar Association committee, Inspector General Chamberlain and the army tribunal headed by Major General Keenan were biased and that recommendations in favor of existing court martial procedure were a foregone conclusion. "They indicate the desperate efforts of the War Department to bolster up the present system he said."

HEAVY BOMBARDMENT AT VIBURG

(By Associated Press)
London, Aug. 29.—A heavy bombardment lasting two hours was heard in Viborg, Finland, on August 27th in the direction of Kronstadt, the Bolshevik naval base near Petrograd, says a Helsingfors message today. It is supposed that British naval and air forces were engaged.

FORMER GERMAN OFFICER RELEASED

(By Associated Press)
Washington, Aug. 29.—Felix A. Sommerfeld, formerly an officer in the German army and a leader in a number of Mexican revolutions, has been released from internment at Fort Oglethorpe, Sumnerfield, friends here said, plans to remain in the United States. He was interned more than a year ago.

DO YOU WANT TO GET THERE?

CARDINAL MERCIER DUE HERE IN SEPT.

(By Associated Press)
Washington, Aug. 29.—Because of the absence of President Wilson from Washington next month it is understood that the first visit to be made in this country by Cardinal Mercier, the veteran Belgian prelate, will be on Cardinal Gibbons at Baltimore. Cardinal Mercier will spend several days resting in New York after his arrival on the transport Agamemnon on which he will sail from Brest early in September.

27 AVIATORS FINISH IN RACE

(By Associated Press)
Minneapolis, N. Y., Aug. 29.—Twenty-seven aviators in the Toronto-New York aerial trip have finished the race and 9 others are expected to complete the flight about 2 o'clock this afternoon according to an official summary of the contest announced at Roosevelt Field today. Fifty-seven planes were originally entered but only 52 actually started. During the race this "old" 50 planes were slightly damaged and temporarily put out of commission.

IT IS GOOD TASTE

—not Money—makes a home homelike. There is a dignity about simple things when good taste is evident, that more money cannot buy. By using good judgment in selecting furniture we can help you to decide what is good and proper for your home. Free estimate given on upholstering. An extra large stock of Tapestry and Furniture coverings of all kinds. Still doing business in the same place, only the entrance is on Fleet street, opposite the Portsmouth Motor Mart.

MILLIONS OF U. S. PROPERTY DESTROYED

(By Associated Press)
Paris, Aug. 28.—The destruction of material owned by the American Expeditionary Forces in France is receiving particular attention from the War Expenditures Investigation Committee of Congress which today inquired into the burning of \$1,000,000 worth of aviation stock and the destruction of motor vehicles of which the French have complained officially. There seems to be a difference of opinion between French and American officials as to the value of the motor material broken up. It was generally considered worthless by the American army officers while the French placed a value on it as junk. The committee has obtained evidence indicating that the aviation stock burned included material and machines of value.

BOLSHEVIKI MAKE MORE CAPTURES

(By Associated Press)
London, Aug. 29.—The towns of Kupiansk and Pavlovsk on the Don River have been captured by the Bolsheviks according to a statement issued by the Russian Soviet government.

BUY YOUR COAL NOW

Harry A. Garfield, U. S. Fuel Administrator, says: "Buy now—in August or the Autumn will be too late. A big coal shortage is coming. Thousands of miners are going back to Europe. Coal production has fallen off considerably and a shortage of many million tons looks probable. My advice to consumers is to buy NOW while they can get a selection and DELIVERY."

"I feel bound to say that, as I see the situation, we are likely to experience a coal famine in the Fall."

Walker T. Hines, Director Gen. of U. S. Railroad Administration, says: "Unless the consumer buys his coal this summer he is going to find it difficult to get it this Fall and Winter. I predict a shortage of coal because of resumption of business in general, with which the coal industry must share transportation facilities. There are plenty of cars today and consumers of coal are urged to use them while they can get them."

We can give you Good COAL and Good SERVICE.

Why You Should Buy Coal Now

The price of coal is 75 per cent determined by wages. The wage agreement at the mines continues until April 1, 1920. The Fuel Administration reports that 35 per cent of the mines cannot make any money at the present mine prices. In view of this, how can coal be cheaper this year?

WE ADVISE YOU TO PLACE YOUR ORDER NOW FOR COAL FOR NEXT WINTER.

OVERSEAS MAN TO SPEAK AT MEETING

The Salvation Army meetings this week will be of much interest. On Saturday night Captain Hood of Canada, who has served overseas with the Salvation Army, will speak at the meeting. He comes here for the week end from Old Orchard Beach where he is passing a vacation. Handmaster Martin and his brother of Somerville, Mass., will be here over the week end and assist in the meetings on Saturday night and Sunday.

The Army hall on State street has been completely renovated and with new paint and paper is greatly improved.

KITTERY

Kittery, Aug. 29.—The town of Kittery will in the near future present meeting to the boys of the town who participated in the world war. A public meeting will be held on this occasion and a good speaker will be procured.

Mr. and Mrs. Leo Irish and little daughter Jean of Providence, R. I., are guests of relatives here.

Genuine Ford parts. Kittery Garage. Isaac H. M. Gray has purchased the house on Whipple road occupied by Frank M. Smith and family and will soon move from Rogers road to that place.

Mrs. Nellie Milliken visited relatives at Hampton Beach on Thursday. Mrs. Thomas Morrow and children passed Thursday at York Beach.

Mrs. Katherine Roberts who has been passing several weeks with relatives here, left Tuesday for Marlboro and Templeton, Mass., en route to her home in Hallowell, N. J.

Taxi Service, phone Brown, 1394-12.

Dr. and Mrs. Albert Surgeant and son and daughter, who have been visiting relatives here, have left for their home in Philadelphia, making the trip by automobile.

Mr. and Mrs. Calvin Danbar, Mrs. George Ward and little son George returned on Friday from an outing at Lake Umbagog, N. H.

On Saturday afternoon from 1 to 4 o'clock all parents and interested friends are invited to the play grounds for an inspection of the past month's experiment along this new feature for the benefit of the children. The grounds have been in charge of Miss Clara Dixon, who will gladly explain anything connected with her month's work, which concludes on Saturday.

A car for every occasion. Call the Kittery Garage for auto service. Telephone 841-W.

Messrs. C. D. Boulter, Mark Boulter and L. H. M. Gray attended the reunion at the Vets on Wednesday.

Mrs. Helen A. Johnson is passing a few days with friends in Eliot. Miss Annie Quinn has returned to her home in New York after passing two weeks with relatives here.

Goodyear Service Station, Kittery Garage.

Mrs. Joseph Keene of Boston was calling on friends here on Wednesday.

Mrs. Charles Trafton passed Thursday with relatives at Hampton Beach. Miss Grace Duke of Taunton, Mass. is the guest of Mr. and Mrs. Charles Trafton of Central street.

Mr. and Mrs. Albert Preble have returned to their home in Bath after a week's visit with relatives here.

Miss Janette Philbrick passed Thursday night with friends in York.

A Japanese operetta, "Sweet Sanao" will be presented by the Junior League of the Second Methodist church on Thursday evening, Sept. 4. The girls have been coached by Miss Clara Dixon, the writer of the operetta. Real Japanese costumes, decorations, games, music and dance will be special features, also lemonade and candy will be sold in the Japanese garden.

WOOD TO MACHINE saw. Also sawed wood for sale \$14.00 per cord sawed and delivered. Wolf Eldredge. Phone 1355-W. So. Eliot. Mass. b 1m j22 part in the debate.

We are expecting you at the revival services this evening. A gospel message in word and song and a Salvation Army Cornet Quartet awaits you.

Quite a number of members of York Robekah lodge and invited guests held a picnic at Sea Point on Thursday and the outing proved most enjoyable to all. Bathing was a feature of the day and at noon a basket lunch was served, hot coffee being furnished by the committee. Sports were indulged in during the afternoon the winners being the following, each receiving favors:

Little Girls' pebble race—Hops Hennessy.

Little Boys' pebble race—Albert Hinton and George Macdonald.

Girls' running race—Mildred Smart.

Boys' running race—Roy Woodard.

Ladies first race—Cora Estes.

Ladies second race—Mrs. Jennie Grant.

Ladies' three-legged race—Mrs. Flora Hinton, Mrs. Lillian French.

Ladies' running jump—Mrs. Mae Keene.

The day was ideal for an event of his kind and nearly one hundred were present. The committee in charge was Mrs. Shirley Smart Mrs. Lillian

French, Mrs. Ethel Able, Mrs. Amelia Blaney and Mrs. Mabel Terry.

AT SUGRUE'S

Lady Muriel chocolates 39c and 49c per lb. Chocolate covered cherries 49c per lb.

KITTERY POINT

Kittery Point, Aug. 29.—Mrs. Ellen Williams, Mrs. Frank Pote, Miss Eleanor Pote, Mrs. T. B. Hoyt and daughter Hannah spent the day with Mrs. Thurston Patch at Ben's Boat Harbor. Emanuel and Johanna Palk have returned to their home in New York after spending the summer with their sister, Mrs. Leonard Palk at the Yvonne cottage.

Paul Kennison who has recently returned from overseas, and has been visiting friends in town for several days, has left for Lewiston, Me.

Mr. and Mrs. Everett Riley of Manchester are visiting the former's father, Charles Riley.

Mr. and Mrs. Charles Neving of Brockton, Mass., were recent visitors in town, spending a few days with Mr. and Mrs. Fred Dorr.

Herbert J. Tobey and family who have been spending a few days at the White Mountains returned home on Thursday.

Mr. and Mrs. H. B. Drow of Portsmouth are spending a few days with relatives in town.

Mrs. Addison Tobey and young son of Portsmouth were visitors in town on Thursday calling on friends.

Mrs. Oscar Clark pleasantly entertained the Kittery Point last evening.

Mrs. E. M. Lathrop and Mrs. T. B. Hoyt and daughter Hannah spent Thursday at Isles of Shoals.

Mr. and Mrs. Clarence Drow are spending a few days in Boston.

The Pathfinders meet with Miss Gladys Fletcher tonight.

DOVER POLICE OUT

OF LUCK AT PRESENT

No Increase of Pay for the

Cops in That City.

Just Now.

It is understood that the Dover police are not in very good humor as the result of the police board failure to grant them an increase of pay.

The patrolmen petitioned for a raise from \$3.50 to \$4.00 per day and the commissioners took it up with the mayor and finance committee of the city government with no favorable outlook for the police at present.

The patrolmen insist that they cannot live properly on the present salary and will take the matter up again with the police board.

Dr. and Mrs. Seth W. Jones have recently been the guests for a few days of Mr. and Mrs. Conrad Drummer of Lisbon.

DOVER MAN IS PICKED TO CHASE UP THE JAKE

Why Two Men at a Salary of \$100 in a Bone Dry State?

It is hard to understand with the state and country on the dry map why New Hampshire needs more liquor law enforcement officers. Anyhow, Mr. J. H. Lewis wants an assistant at the expense of \$1,500 a year and he gets one in the appointment of Ralph Caswell of Dover, a health officer of that city who has been confirmed by the Governor and Council.

Last year, Mr. Lewis, who is paid \$200 in dry times, in a dry state and outside of war time prohibition, handled the work alone. The Dover man's appointment cannot be accounted for unless he is going to chase the "jake" and other suspicious alcoholic beverages. It does seem possible that the combined salary of both Lewis and Caswell could be saved. Why are these men needed in a bone dry state when conditions are such that the police and other authorities can easily handle any violations of the present law? This might be called easy picking.

WE ARE BUSY

Having just opened up a wholesale Grocery establishment for retail groceries in this town and surrounding territory. In order to give our trade the pick of the best, we have stocked up a large variety of everything in the grocery line, such as canned goods, breakfast foods, oils, spices, teas, coffees, etc. Our motto shall be "High quality groceries at fair prices." We extend to the retailer an invitation to call and give us a sample order. No matter how small, it will receive our prompt attention.

INDUSTRIAL PEACE DEPENDS REDUCED PRICES

Washington, Aug. 28.—Industrial peace in the United States depends upon the results the government can show in the next ninety days in its campaign to reduce the high cost of living. That time limit was tacitly set by the Executive Council of the Railroad Shop Crafters in suggesting to the Union locals all over the country that the proposal of President Wilson in response to their demands should be accepted, pending the outcome of the efforts to restore normal prices.

If at the end of that time the cost of living does not come down, then the 500,000 shopmen would reserve the right to strike and with them would be associated the remainder of the 2,500,000 railroad employees, all of whom are considering the same problem.

The letter of the Executive Council served to compose somewhat the uneasiness felt in official circles over the labor situation and to focus the attention in the legal means being taken by Atty. General Palmer and his assistant, Judge Ames, to take the inflation out of the prices by punishing hoarders and profiteers.

"In our opinion," the letter said, "the next 90 days will bring the entire situation to a head and if a strike is to take place every class of railroad employee should be willing to bear their full share of responsibility and not leave the issue to be decided by the 22 per cent of the Federated Trades."

Branch of the American Legion concluded this forenoon and it was followed by a reception to Governor John H. Bartlett and other invited guests, who were received with full military honors. The following officers were elected by the convention: Commander, Orville Paine, Concord; senior vice commander, Frank H. Quigley, Wilton; junior vice commander, Allen G. Shepherd, Derry; secretary-treasurer, Maj. Frank J. Abbott, Manchester.

LEMON JUICE

FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orbeard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orbeard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yest! It is harmless and never irritates.

FIRE DESTROYS HOUSE AND BARN

Wolfeboro, Aug. 28.—Fire destroyed the Blisbee house at Taffinboro Corner early Thursday morning, just after midnight, and endangered the lives of 30 summer guests who were awakened by the smell of smoke and the crackling of the flames which soon enveloped the entire two-story and a half structure. Some of the guests were lucky in saving a few of their belongings, while others were fortunate in escaping somewhat scantily clad.

It was no time before the large barn in the rear was on fire, and this, too, was destroyed. Other buildings nearby were threatened several times, and the church in particular was saved by the bucket brigade, which did some wonderful work. Three horses and a cow were taken safely from the barn, but 15 tons of hay and farming implements were doomed to destruction. The total loss is placed at \$7000.

The flames and sparks shot up into the air and were visible for miles around. Aid was sent for at Mountain View and Water Village, chemicals responding in both cases, but not in time to save the buildings from destruction.

The cause of the fire is unknown, but it is thought it started in the upper part of the house.

AMERICA SELLS WAR SUPPLIES

Washington, Aug. 28.—Sale to France for \$450,000,000 of all A. B. E. property in that country except that withheld for return to the United States and for the use of troops remaining is provided for in a contract signed with the French government, the war department was advised yesterday by its special liquidation commission. Pay will be made in 10-year gold bonds, bearing interest at the rate of 5 per cent from Aug. 1, 1920.

The bonds are to be redeemed in gold on a dollar basis or, at the election of the United States, in francs. The contract covers all "fixed installations" such as docks, wharves, railroads, storage warehouses, barracks and refrigeration plants, as well as surplus clothing, subsistence stores, motor equipment and munitions.

ATLANTIC HEIGHTS

Mrs. Cleve Patterson of East Boston is visiting Mrs. Timothy Miller at 6 Raleigh Way. Mrs. J. J. McLeod of Medford, who has been visiting Mrs. Miller has returned to her home. She is a very staunch enthusiast of Portsmouth.

Mr. Harold Treat of Philadelphia, Pa., is visiting his sister Mrs. Graves. Mr. H. H. Diamond, District Auditor for the United States Shipping Board, is at Atlantic Heights in the interest of the U. S. Government.

The streets of Atlantic Heights were taken over by the City of Portsmouth the past week and this thriving community has been honored by several visits from the City Officials.

HELD UP BY RUSSIAN SOLDIERS

Copenhagen, Aug. 28.—Three members of the British mission to Lithuania were arrested by German soldiers and taken to Mitau, according to Riga despatches to the Lithuanian Press bureau. The British mission to Riga subsequently secured the release of the men.

Portsmouth, N. H., Friday, August 29, 1919.

Portsmouth's Opportunity and Duty.

The prospect of the erection of a commodious and handsome historical building in this city, which will also serve as a memorial of the men of Portsmouth and vicinity who served in the world war, is exceedingly bright, and it is a prospect that should be highly pleasing to every resident.

The purchase by the Portsmouth Historical Society of the large lot at the corner of State and Middle streets, with this object in view, was made known to the public some days ago through the news columns of this paper, and welcome news it was. Since then the plans of the society for properly developing the property have also been outlined, and it is certain that the plans will meet with general approval. It is designed to erect a suitable building to be used for historical purposes and also to stand as a memorial to the local heroes of the great war for human freedom. Nothing could be more appropriate, and the project should kindle the enthusiasm of every member of the Historical Society and every citizen of Portsmouth.

As has been told in our news columns, the purchase of this property was made possible by the generosity and public spirit of Hon. Woodbury Langdon, who has contributed \$10,000 toward the accomplishment of the desired end. But there will be need of \$10,000 more, and this the people of the city will be asked to raise by popular subscription.

That this sum will be promptly forthcoming there is no reason to doubt, notwithstanding the heavy drafts that were made upon all classes during the period of the war. The development will be of large and lasting benefit to the city, and no citizen should neglect the opportunity to have at least a small share in a work which will reflect credit upon the community and add substantially to its historic interest.

There are few cities of this size so rich in historic objects and associations, and these are a valuable asset to Portsmouth. To the people living here these things become familiar, but in such a case it will not do to allow familiarity to breed contempt. It must not be forgotten that historical objects and places are of great interest to strangers, so many of whom visit this city and vicinity every year, and that the money and effort expended in developing and properly maintaining such attractions constitute an excellent investment, viewed solely from the material standpoint.

But there are some things higher and better than mere material gains, and these come from a live and general interest in the history and traditions of any community, which should appeal to old and young alike and lead to united effort to make the most of what has been handed down from the past. The past of Portsmouth, remote and recent, is something in which all of its citizens may take justifiable pride, and it seems entirely safe to assume that they will rise promptly and cheerfully to the occasion, the opportunity and the duty by which they are confronted in connection with this most appropriate and praiseworthy enterprise.

The annual exhibit of the Rockingham County Fair Association will be held in this city next week, and the indications are that, with good weather, it will be one of the best in the history of the association. There will be excellent displays of livestock, crops, fruits and women's handiwork, and the racing will be of an order to appeal to all lovers of track events. Go to the fair, take the children, see the sights, meet your friends and become convinced that life is still worth living in spite of the cost.

There should be at least a sample of the Exeter fig crop on exhibition at the fair next week.

The Boston police situation must be somewhat uncomfortable for the people of that city.

SHIPYARDS AT PORTLAND WILL CONTINUE WORK

Will Build Private Craft in Two Emergency Fleet Plants.

Portland feels as if the shipyards of that city established to build ships for the Emergency Fleet Corporation during the war will be permanent industries. Construction of wooden ships will continue there regardless of the fact that government contracts have been completed.

The keel for the first of several four masted sailing vessels has been laid in the Russell shipbuilding yards at East Deering and officials of the Cumberland Shipbuilding Company have announced that they are ready to construct wooden sailing vessels and are now negotiating for the construction of a number of vessels for private concerns.

The Russell yards are the first actually to start construction work on vessels for private ownership and at the present time about 100 men are employed at the yards in East Deering and it is planned to have the first vessel, a craft of about 1,000 tons ready for launching about December 1.

Both the Russell yard and the Cumberland Ship Building Company yard were established when America entered the war and a number of the so-called Peris type ships were built for the Government and it was thought that the yards would not continue in the shipbuilding business, but there is every indication now that shipbuilding will continue at the two shipyards.

NAVY YARD NOTES

Visited Boston Yard

Louis McHenry Howe, Secretary to Assistant Secretary Roosevelt of the Navy, who attended the submarine launching here on Wednesday, held a conference at Charlestown navy yard on Thursday with the commandant Rear Admiral Hobson and some of the heads of the department. The business was of an official nature.

Getting Rid of Junk

Two sales of condemned material during next month at the Charlestown yard. The first on Sept. 4 and the second Sept. 11. The plan of the department is to hold these sales frequently in order to clean up articles accumulated during the war.

More Than They Looked For

A number of workmen at the Charlestown yard have been furloughed during the week which was supposed to have ended August 31, but according to Assistant Secretary Roosevelt the time will have to be extended fifteen days longer due to the failure of Congress to pass the \$18,000,000 for navy yards.

Hulper is Burned

Joseph Baker, electrician's helper, at the Charlestown yard, was badly burned on the face on Thursday when an electric wire short-circuited in the prison where he was working and the flames burst into his face. He was treated at the yard dispensary.

Recruiting at Newburyport

The destroyer Tucker arrived at Newburyport on Thursday where her crew will engage in a short campaign of recruiting in that city. It has been many years since that city has seen a war craft of any kind tied up at the dock.

Was Formerly at Local Yard

Comdr. Charles S. Joyce commanding the U. S. S. Hammett which arrived here on Thursday is well known at the Portsmouth yard where he received a warm welcome by his old acquaintances. He served here as assistant engineer officer under the late Admiral Zane in the steam engineering and was a live officer in the de-

partment at all times during his period from 1910 to 1913.

Due For a Furlough

A forced furlough of ten or a dozen men in the heatshop is on the way for lack of funds and will likely occur following Labor Day.

Writing History of the Yard

The Navy Department has ordered each navy yard of the government to produce a complete history of its activities during the war period. This job for Portsmouth yard falls to the Industrial Manager, Capt. L. H. Adams who doubtless will find some very interesting moments for himself and assistants before this job is completed.

Goes on Inactive List

James Demmond, ensign in the navy corps, attached to the supply department, was placed on the inactive list today after two years' service. He will return to his home in Wisconsin.

Expected to Sail at 4 O'Clock

The South Dakota is expected to sail from the local yard at 4 o'clock this afternoon. After taking on ammunition at Hingham, she will proceed to Brooklyn navy yard.

Many Transferred

Transfers for Pittsburgh, Washington, Dallas, Charleston, Atlanta, Newport and New York were made among the men on the receiving ship Southern today.

Going to School

John A. Simmons, fireman, was discharged from the U. S. S. Southern today in order that he may enter the Massachusetts Institute of Technology at Boston.

Going to German Sub. 111.

Lieut. Comdr. Sherwood Pickling, ordered here four months ago to command the S-6, has been detached and ordered to command the German submarine U-111, which was recently in this port in connection with the Liberty Loan drive.

No Work Monday

The yard will be closed to all work on Labor Day except in cases where emergency cases develop.

PITTSBURGH CARMEN'S STRIKE ENDED

Pittsburgh, Aug. 28.—The strike of the motormen and conductors of the Pittsburgh street railways company, which has tied up the trolley transportation for the past two weeks, ended late today, when the carmen by a vote of 2,882 to 498 decided to return to work. They accepted the award of the National War Labor Board of an increase of five cents an hour under protest. They had struck for 12 cents an hour increase.

SMITH HEARS HIS OWN AUTO AS IT SKIPS AWAY

Meredith, Aug. 28.—When Orville T. Smith, first selectman of Center Harbor, went to his garage at his farm in West Center Harbor early Thursday morning, he discovered that his small auto had been stolen during the night. He heard an auto after midnight, but did not dream that it was his own until morning.

Mrs. M. P. Chandler and sons, Paul and Earl, are spending the day with her sister, Mrs. Allison of Greenland. Mr. and Mrs. Benjamin White of New York, formerly of Portsmouth, are rejoicing over the birth of twin daughters. Mrs. White is a sister of Mrs. M. P. Chandler.

FINAL NIGHT OF LAWN PARTY

Last night was the final night of the lawn party held by St. Raphael's church on the parish grounds in Kittery. As it had to be postponed one night the entertainers were unable to appear owing to previous engagements. However, a large crowd gathered and enjoyed themselves playing the games and there was plenty of sociability.

Financially and socially the three-night lawn party was a big success despite the unfavorable weather of the first two nights.

The committees in charge were as follows:

Chair Booth—Mrs. John Desmond, Mrs. Laura Gould, Misses Shier, Lillian Witham, Isabelle Sweeney, Catherine Sweeney.

Refreshment Booth—Leo J. Flynn, Mrs. Louie Flynn, Mrs. Jennie Witham, Mrs. Mary Witham, Misses Elizabeth Davie, Dorothy Juntings, Catherine Creedon.

Fish Pond—Mrs. Thomas Cannon.

Ice Cream Booth—Mrs. John Gould, Mrs. John Manning.

Religious Articles—Mrs. Gertrude Parish.

Coffee Table—John Costin.

Sweeties—Mr. and Mrs. Maitland Collins.

Silverware—Thomas St. Peter.

Peter Perry, John M. Mauden and Daniel Lunt had charge of various gifts and amusements.

The piano used during the entertainment was loaned through the courtesy of Hasset's Music Rooms.

BEACH PARTY PLEASANT EVENT

The party given at Hotel Ashworth, Hampton Beach, last evening, to men in the service and members of the City's Division of this city, proved a most enjoyable affair. The participants left this city at 5:35 p. m. on a special electric car. A buffet lunch was served upon the arrival at the beach, after which a community sing, led by Sam Lander Thomas P. Hittell, was held on the hotel veranda and heard by fully 1600 people, guests at the beach and passing automobilists gathered to enjoy the sing.

The remainder of the evening was devoted to dancing, a novelty of the evening being the release of many balloons during a waltz, as the orchestra rendered "The Forever Blowing Bubbles." This pleasing feature caused much merriment.

The return home was on the last car, all having much enjoyed the occasion. The party was given by the War Camp Community Service and planned by Dr. G. L. Hanson. It was one of a series that has been given for the service men this season.

ARMY AIRPLANE DROPS W. S. S. LITERATURE AT GREENFIELD FAIR.

The most exciting moment at the Greenfield Fair, it is safe to say, was when the Army plane from Devens gave its flying exhibition. When about 1000 feet up and a quarter of a mile

from the ground, the observer dropped a bag full of W. S. S. literature. It fluttered toward the grounds and landed in the midst of the crowd, causing much enthusiasm.

PERSONALS

Miss Roberta Pickering spent Thursday in Boston.

Miss Ruth Junkins has returned from a visit at the Welch.

Dr. and Mrs. E. D. Forrest of Milton are passing a week at York Beach.

Mrs. Sadie M. Houston of Concord is passing a few days at Rye Beach.

Miss Florence Pettinger of Manchester is passing several days in this city.

Mrs. William Christensen is occupying her cottage at Alton Bay for the season.

Jack Leary of Greenland has accepted a position with an electrical firm in Manchester.

Mrs. George Stewart and daughter Abigail of Bangor, Me., are visiting Mrs. E. H. Libbey.

Mr. Kenneth Rand of this city has concluded his duties at Oceanic Hotel, Isles of Shoals.

Miss Irene Whitaker has returned to her home in Manchester after a vacation at York Beach.

Mrs. Charles Peckler (Miss Clara Dore Robinson) of Lynn is visiting Miss Roberta Pickering.

Mr. and Mrs. Charles Perry and daughter Lucille of Manchester are at York Beach for a vacation.

Miss Emma Selma of Penacook is passing the week in this city as the guest of her brother, Fred Selma.

Mr. and Mrs. Harold Clifford and son of Manchester are at North Rye Beach to remain over Labor Day.

Mr. Jack Latham, Deputy Revenue Collector for Maine is with his family at North Rye Beach for two weeks.

Mrs. John Duggan and daughter Marjorie who have been visiting relatives here have returned to Boston.

Miss Anne McCallis, who is employed in this city is passing a vacation at her home in South Lebanon.

Mr. George Stewart and son Bert who have been visiting relatives in this city returned to their home in Bangor, Me., making the trip by auto.

Mrs. Frank Hulshof has returned to New York after spending the summer with V. A. Hett. Mrs. Hulshof will remain with her people during the month of September.

Madame Herman Fuerbach arrived home yesterday to pass a fortnight with his family. He has been attached to the U. S. S. Louisville, which has been recently placed out of commission.

William M. Seabury of New York has joined his family who are passing the summer at the home of Mrs. Seabury's mother, Mrs. Louise P. Hovey of State street, where he will also pass a vacation.

Captain and Mrs. William J. Lawrence returned last evening from a business trip to Albany, N. Y. On their return they stopped over in Keegan where they conducted a Salvation Army meeting.

Rev. and Mrs. Charles H. Farnsworth of Concord, who are well known in this city, attended their 51st wedding anniversary this week. Mr. Farnsworth was a former presiding elder of the Methodist denomination, but for the past few years has supplied pulpits at times in different places.

MINERS' STRIKE COST GREAT SUM OF MONEY

London, Aug. 24 (Correspondence of the Associated Press).—The Yorkshire miners' strike has been an expensive bit of business for the nation, as well as for people not directly connected with the dispute. The generally accepted figures are:
Damages to mines, \$10,000,000.
Coal lost to industry, \$15,000,000.
Losses to kindred industries, \$12,500,000.
The strike fund of the miners, amounting to \$1,100,000, was exhausted.

with the payment of the fourth week's strike benefits. This fund, it was estimated, had taken some 25 years to accumulate.
The local Government Board, it is estimated, cut a lot of red tape, and with the sympathetic co-operation of the local relief authorities, averted distress throughout the district. In some cases \$2.50 a week was allowed every married woman, with \$1.25 additional for every child.

INCREASE WEIGHT AND VITALITY WITH PHOSPHATE

Nothing Like Plain, Bitter-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force

The average person is beginning to realize more and more that the lack of physical strength and nerve exhaustion frequently evidenced by excessive tiredness are the direct cause not only of the failure to succeed in life's struggle for the necessities of existence, but also for the handicap in one's social applications. Compare the thick, healthy, angular frame with the well rounded form which is usually accompanied by the bloom of health and vitality.

At the seaside too, the plump well-rounded figure is most admired.

And millions of people are conscious of this handicap. It is evident from the continued appearance in newspapers and magazines of many suggestions and propounding various remedies in food or medicine or exercise, either of which might or might not be appropriate for a given case.

Authorities, however, agree that healthy nerve tissue is absolutely essential to a strong, potent body and mind. Weak nerves, while indicated by a multitude of different symptoms, more immediately and generally result in lack of energy, sleeplessness, irritability, depression, etc., which conditions gradually consume the healthy flesh, leaving ugly hollows, a flat chest, bony neck and sunken eyes. Our bodies need more phosphate than most of them are able to extract from the foods we eat haphazardly, and many persons suffer from this deficiency. Our bodies need more phosphate than most of them are able to extract from the foods we eat haphazardly, and many persons suffer from this deficiency.

The essential phosphoric food elements in Bitter-Phosphate assimilated by the nerve cells should soon produce a pleasing change in nerve energy and hence increased vitality and strength. With the burdens of nervousness, sleeplessness, lack of energy, etc., lifted, normal weight with its attractive fullness and ready glow of health replaces the former picture of skin and bone.

CAUTION: Although Bitter-Phosphate is unexcelled for the relief of nervousness and attendant disorders, owing to its tendency to increase weight, one should watch the scales while taking it unless it is the desire to put on flesh.

MAY PLAY HERE SATURDAY

The All Star team of the Concord Sunset League players, may play an all star team of this city here on Saturday afternoon. Manager Cragin is trying to make the arrangements and there is every indication that he will be successful.

COME WHILE THE LAUGHING IS GOOD

Each Bob Ott show is in a class by itself, really a unique institution; its time as the latest wide-awake glib show—proceeding in the last word in Musical Comedy. The worth of this organization is known from the Atlantic to the Pacific. Imitators come along and last their brief spell and are gone. This company is now in its second year of continuous and uninterrupted prosperity. It should be borne in mind that each show is absolutely original. Novelty is the keynote of each entertainment. More gorgeous, than anything yet offered with its beautiful girls, swaggar costumes, and elaborate scenery. This musical 'tila are all new. Don't forget to hear the brand new waltz song, "My Girl." This is a regular Victor Herbert tune. And, last but not least, we still claim to have the best singing dancing chorus in the world. Remember, Bob plays six brand new shows this season and will be at the Colonial all next week.

BORN

In Malden, Mass., August 27, 1919, to Mr. and Mrs. Myles Standish Watson of Newington, N. H., a daughter, Dorothy Mathes.

RAPID FLIGHT FROM MAINE TO WALLIS SANDS

Lieut. Moffatt, U. S. A., the army aviator who has been down east on recruiting duty, returned on Thursday and stopped at Wallis Sands on his way to Camp Devens. He phoned Mr. Harry T. Wendell from Old Orchard Beach that he would like some high proof gasoline at the Wentworth aviation field, as he was about to start from Old Orchard. Mr. Wendell took the gasoline down in a machine and in just thirty-five minutes after he phoned he flew over the field. The wind was wrong for a landing and he continued on to Wallis Sands, where he made a landing, and Mr. Wendell followed him with the gasoline. Once he had the gas aboard he started for Camp Devens.

HOME FROM OVERSEAS DUTY.

First Lieut. Philip Griffin, U. S. A., who was with the 103d Regiment, 27th Division, in all of their famous campaigns in France, arrived at his parents' home, Mr. and Mrs. John Griffin, on State street Thursday evening. He was detached from the 27th before it returned to this country and entered a French University where he studied for six months. He is on a short leave of absence.

TRUCK OWNERS TAKE NOTICE

A Point to Be Remembered

About shoes is that many a pair can be saved from the "rag-bag" by judicious repairing in time. We can reshape your old shoes and by putting on new soles and heels, stitching here and there, and a little patching perhaps, make them over into practically new shoes. We charge little, but save you much on footwear.

Frank's Boot Shop

ADM. BRISTOL ACTING UNDER ORDERS

(By Associated Press)

Washington, Aug. 28.—In warning Turkey that the massacre of the Armenians must stop, Rear Admiral Mark L. Bristol, commanding the United States naval forces in Turkish waters, was acting under instructions from the State Department. This was announced officially tonight.

"BAYER CROSS" ON GENUINE ASPIRIN

"Bayer Tablets of Aspirin" to be genuine must be marked with the safe "Bayer Cross." Always buy an unbroken Bayer package which contains proper directions to safely relieve headache, toothache, neuralgia, colds and pain. Handy tin boxes of 12 tablets cost but a few cents at drug stores—larger packages also. Aspirin is the trade mark of Bayer Manufacturing of Monacelleneidester of Salicylicacid.

MISTAKEN IDEA CORRECTED

I wish to correct the mistaken impression that I do not teach beginners. One of the most foolish notions about music is that any "teacher" is good enough for a beginner. This false notion more than anything else is the reason you hear so much bad piano playing and poor singing. Why deliberately make a poor start when you can make a good one. The best is none too good for the beginner.

ATLANTICS TAKE SECOND GAME

Defeat Navy Yard in a One Sided Game 9 to 0—Andrews Pitched a Great Game

The Atlantic made it all even in the Sunset League series by winning from the Navy Yard on Thursday evening. It was rather a walkover, 9 to 0, and the Navy Yard team never were dangerous. There was a good sized crowd present and the game after the first inning, when the Atlantic scored six runs, was rather well played.

Andrews pitched for the Atlantic and he allowed one hit, Ted Butler getting a two base blow. He was very effective and only four men reached first base and only two got to second. Wayne started for the Navy Yard and he was hit hard and given poor support, a triple, a double and a single, with three errors, gave the Atlantic a line start of six runs. Irvine took Wayne's place in the fourth and other than the sixth, when two runs were made off his delivery, he pitched good ball.

The Atlantic were up and Dugan fled to Kelley. Conlon hit to Cannon but Hayes dropped the throw. Conlon stole second; Kincaid was thrown out by Butler. Swasey hit for three bases, scoring Conlon and scoring himself on J. Robertson's error for two bases. Andrews hit to Wayne who threw to first, but Hayes lost the ball in the sun. Cushman walked; H. Robertson singled, scoring J. Robertson and Andrews. Brickett hit to Cannon, who let it get away, and Cushman and H. Robertson scored. Brickett was thrown out stealing. Six runs.

Gannon fled to Brickett; Wayne fanned; Hayes drew a pass and went to second on Andrews' ball, but Fontaine was out. Conlon to J. Robertson.

The Atlantic scored again in the second. Dugan drew a base on balls. Conlon fled to Kelley; Kincaid was thrown out by Gannon. Dugan went to second and he scored on a wild pitch. Swasey was out to Davis. One run.

Butler was thrown out by Brickett; Timmons fled to Cushman; Kelley was safe on Brickett's error and Patterson fled to Kincaid.

In the third J. Robertson was thrown out by Butler; Andrews fled to Patterson and Cushman was safe on Dugan's fumble, but was thrown out stealing second.

Davis fled to J. Robertson; and Gannon and Irvine, who succeeded Wayne in the box, fled to Swasey. The Atlantic were out in order in the fourth.

H. Robertson struck out; Brickett was thrown out by Butler and Dugan fled to Timmons.

Hayes was hit but was forced at second by Fontaine's roller to Andrews. Butler hit for two bases, Fontaine batted held at third; Timmons struck out and Kelley rolled one to Brickett.

Both teams were out in order in the fifth.

In the sixth J. Robertson fanned; Andrews walked and scored on Cushman's three base hit. H. Robertson hit to Cannon and Cushman was run down between third and home. Brickett singled and Dugan singled, scoring H. Robertson, but Dugan was forced at second. Two runs.

Irvine was thrown out by Conlon. Hayes hit to Andrews and Burgess fled over short that Conlon made a great catch of.

Both sides were out in order in the seventh.

The score:

DR. PAUL INJURED BY KICKING HORSE

Watch in His Pocket Likely Saved His Life.

A watch in the pocket of Dr. Paul saved his life on Thursday. He was called to Newington and was performing some surgical work on a horse when he received a kick from the animal. One blow struck him near the heart and badly lacerated his left thigh. The other foot landed on his left thigh badly splintering a bone in two places. He was sent to the Portsmouth Hospital for x-ray and operation.

COMPLETING PLANS FOR BIG FAIR

Arrangements are fast being completed for the fourth annual fair and exhibit of the Rockingham County Fair Association, which opens on Labor Day at the fair grounds on Sherburne Road.

The grounds are in excellent shape and the horse racing will be a feature of the fair. The entries are being rapidly filled in the horse show, the running and jump races, also in the automobile show. The midway will have

special features and there will be five exhibits along agricultural lines. There will be a band concert each day of the fair, which should be the best ever held here.

Thousands Consult DONDERO And Tell Others What He Did For Them.

His office is always crowded so that many are turned away for another day, as they must surely see him.

Dondero Endorsed by the Press and Public Alike.

Bank references, diplomas and testimonials. His fees are no higher than those less competent. No worthy person turned away—FREE OR NO FEE.

The whole world is better for Dondero having lived, for his help to all is a blessing, as nothing else can be. It is the cheery word, the helping hand, the higher ideal, and a more noble life. This is why thousands, consult Dondero, the celebrated Dondero-Trance Psychologist, and why they tell others what benefit they received keeps his office crowded daily, so that many are turned away.

Satisfaction guaranteed or no fee accepted. No fee in advance. Hours 10 a. m. to 8 p. m. 26 C Street, Hampton Beach, N. H. Near Bristol Garage.

HALLS ARE COMING BACK.

The demand for the console and mirror grows. It should. This charming pair of furnishings is transforming our halls from dreary outposts to gracious antechambers. Indeed, for some years now architects have been robbing us of our halls, but they are coming back, bless them; and no doubt the revival of the console has had something to do with it.

We need halls, as our ancestors so well knew. They serve as a gentle stepping stone from the out-doors into the warm hospitality of the home. It is so much better to step into a hall; get our bearings, gain a fleeting impression of mine host, and draw breath before passing on, than to be let abruptly into the heart of the home. Isn't it?

And what nicer compliment to the guest, than a console and mirror similar to the one above, in the hall.

Margeson Brothers—Tel. 570.

LOCAL GIRL RETURNS FROM OVERSEAS

The Boston Post of today's issue has a cut of Miss Florence H. Smith of this city and prints the following:

After 12 months' service with the American Red Cross in Paris and on the battlefields of France, Miss Florence H. Smith of Portsmouth, N. H., has returned home. After a brief period of recuperation she will take up reconstruction work in this country.

Miss Smith, a sister-in-law of Colonel C. P. Hatch, U. S. M. C., formerly commanding officer of the marine recruiting station, Tecumseh row, was a conspicuous figure in Red Cross activities in Paris. The majority of her time was devoted to the tending of army and navy convalescents in Paris, although a number of times she visited the soldiers on the battlefields and offered them her services as a nurse.

At a luncheon at Montpelier station, No. 8, Miss Smith met Mrs. Wilson and presented her with a bouquet of American roses. Also at this station she was in conversation with General Pershing when he inspected the convalescents last year. Miss Smith's home in Portsmouth is at 435 Maplewood avenue.

CAPT. LAWRENCE GOES TO AUGUSTA

Captain William J. Lawrence, who is to conclude his local work with the Salvation Army, has this week been assigned to take charge of the Salvation Army at Augusta, Me., and with his family will leave on Sept. 10 for that city, relieving Commandant Magee, who has been in Augusta for the past two years. Captain Lawrence will have his farewell meeting on Sunday evening, Sept. 7, Captain Oldham will arrive from Concord on Sept. 10 to take up the local work.

Captain Lawrence has done able work in the three years he has been here, and leaves the local corps in good condition and with a future of promise. At Augusta the Army has but a small hall and there is much to be accomplished but Captain Lawrence has the ability to do things and undoubtedly will make a success of his work in that city.

Regular meeting of Mercedes Aerle No. 628, P. O. 12, this evening at eight o'clock, at Eagle's hall, Daniel street. Per order, M. J. LYNN, President.

Middays for school at Dennett and McCarthy's.

It is no wonder with the high price of foot wear that 30,000 pairs of army shoes which were placed on sale in a Brooklyn, N. Y., shoe factory, sold at the rate of 1000 pairs an hour for the first few hours after the sale was opened or that 10,000 people struggled to get into the line when the doors were opened. The shoes sold at \$5.50 a pair and were part of the army surplus stock.

Burglars in Jungtaw Aprons at Dennett & McCarthy's.

TO ACCOMMODATE HOLIDAY VISITORS

One of the dormitories at Atlantic Heights will be thrown open for the convenience of strangers in this city over Labor Day who cannot procure sleeping accommodations, as many visitors are expected to come here for the fair or on sight seeing trips.

TIME FOR SOME ACTION AGAINST THE FIRE TRAPS

Conditions at the Corner of
Washington and Court Sts.
Disgrace to City.

If there is any law, and any one who can act under the law, it should be applied at once to the conditions at the corner of Washington and Court streets where a fire trap has existed for years. This building was disgrace enough to the city long before the recent fire, but now it is twice as bad and a double menace to the locality.

It is hard to understand why this building has been allowed to stand as long as it has. With all the law the city is supposed to have in regard to fire traps there is no record in the past thirty years where the authorities have succeeded in causing one of them to be removed.

We are howling about moving shacks into the fire zone; why not take a few of them out of the zone that are already there?

NOTHING NEW HAS DEVELOPED IN THE JEWELRY ROBBERY

Police Satisfied that Professionals Did the Job at York Corner.

Nothing has developed in the \$15,000 jewelry robbery at the three-centred summer home at York Corner and the authorities are satisfied that this job was one of professionals.

It is understood that the case has been placed in the hands of the Pinkerton Agency and that the men from that bureau are on the job.
